CONTROLLED SUBSTANCE AGREEMENT

We are committed to doing all we can to treat your chronic pain condition. In some cases, controlled substances are used as a therapeutic option in the management of chronic pain, which is strictly regulated by both state and federal agencies. This agreement is a tool to protect both, you and the physician by establishing guidelines within the laws, for proper and controlled substance use. The words "we and our" refer to the facility and the words "I" "you" "me" or "my" refer to you, the patient.

1.- All controlled substances must come from the physician whose signature appears bellow or, during his/her absence, by the covering physician, unless specific authorizations is obtained for an exception. I understand that I must tell the physician whose signature appears bellow or, during his/her absence the covering physician, all drugs that I am taking, have purchased, or have obtained, even over- the- counter medications. Failure to do so may result in drug interactions or overdoses that could result in harm to me, including death. I will not seek prescriptions for controlled substances from any other physician, healthcare provider, or dentist. I understand it is unlawful to be prescribed the same controlled medication by more than one physician at a time without each physician's knowledge. I also understand that it is unlawful to obtain or to attempt or obtain a prescription for a controlled substance by knowingly misrepresenting facts to a physician, or his/her staff, or knowingly withholding facts from a physician or his/her staff (including failure to inform the physician or his/her staff of all controlled substances that I have been prescribed)

2.- All controlled substances must be obtained at the same pharmacy, where possible. Should the need arise to change pharmacies, our office must be informed. The pharmacy that you have selected is:

_____ Phone () _____

3.- You may not share, sell, or otherwise permit others, including spouse or family members, to have access to any controlled substances that you have been prescribed.

4.- Unannounced urine or serum toxicology specimens may be requested from you, and your cooperation is required. Presence of unauthorized substances in urine or serum toxicology screens may result in your discharge from this facility.

5.- I will not consume the excessive amount of alcohol in conjunction with controlled substances. I will not use, purchase or otherwise obtain other legal drugs except as specially authorized by the physician whose signature appears bellow or, during his/her absence by the covering physician, as set forth in Section 1 above. I will not use, purchase or otherwise obtain any illegal drugs, including marijuana, cocaine, etc. I understand that driving while under the influence of any substance, including a prescribed controlled substance, or any combination of substances (e.g. alcohol and prescription drugs) which impairs my driving ability, may result in DUI charges.

6.- Medication or written prescriptions may not be replaced if they are lost, stolen, get wet, are destroyed, left on the airplane, etc. If your medication has been stolen it will not be replaced unless explicit proof is provided with direct evidence from authorities. A report narrating what you told authorities is not enough.

7.- Early refills will not be given. Renewals are based upon keeping schedule appointments. Please do not phone for prescription after hours or on weekends.

8.- In the event you are arrested or incarcerated related to legal or illegal drugs (including alcohol), refill on controlled substances will not be given.

9.- I understand that failure or adhere to these policies may result in cessation of therapy with controlled substances prescribing by this physician and other physicians at the facility and that law enforcement officials may be contacted.

10.- I affirm that I have full right and power to sign and be bound by this agreement, and that I have read it and understand and accept all of its terms. A copy of this copy has been given to me.
